PAC3000-8	1000	33,3	8	6	3000	92	0	2,7

DESIGN

1

Adjustable handle

- Facilitates access to any environment
- Orientable horizontally and vertically

2

Adjustable support handle

- Holding comfort
- Better load distribution
- Ambidextrous use

3

Deflector

- Protection of users against projections

4

Sealed nozzle

- Avoid inadvertent projection of the nozzle

5

End pieces with 45° and 90° bends

- Facilitates access to any environment

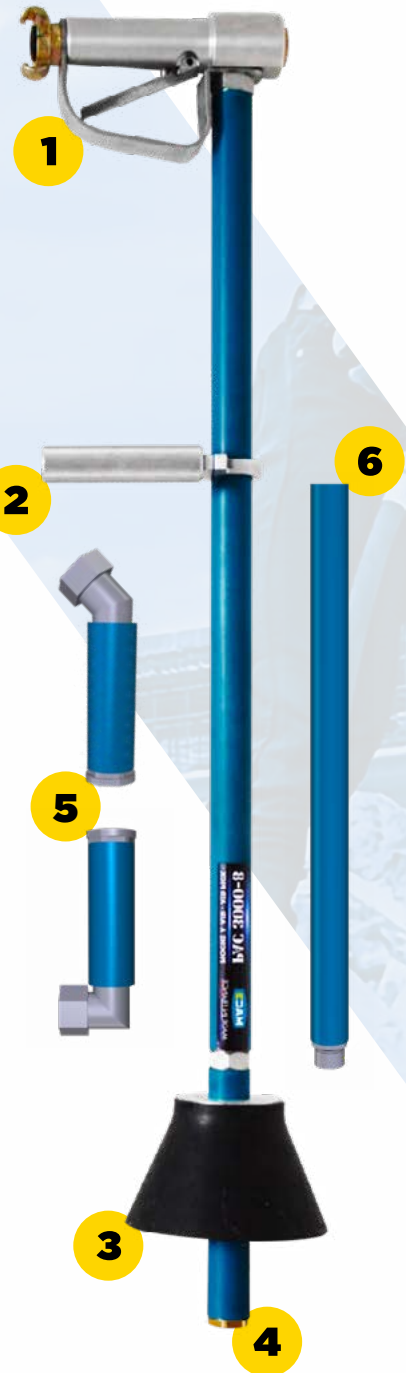

6

Tube extension

- Better access whatever the distance
